# Group Summary Form

COMPLETED BY CO-ORDINATING FAMILY

To assist us in organizing your group's stay at Hockey Opportunity Camp, all Group Coordinators must complete this form and submit it with FIVE or more camper registration forms. **A group is considered to be FIVE or more registrations submitted in the same envelope. No Exceptions.** Registrations must consist of either Residential Hockey and/or Residential Camp Only Campers.

Groups larger than five campers **may** be split up for bunking arrangements. It would assist us if you could pre-assign these campers into smaller cabin groups on the list below. Please note, in order for campers to be placed in the same camp section they need to be within one grade / birth year.

**Visit our web site to access extra registration forms/marketing package.**
