

South River – Machar Day Camp Application 2018

Welcome to another exciting year at Day Camp. We hope that you will have a fun and positive experience while attending the camp. Please review the following information provided for your convenience and understanding. We recommend that all new and returning campers review these policies prior to attending the camp. If you would like to discuss any of these policies, or have any questions regarding the camp, please call the South River Municipal office.

The Day Camp is open to children ages 6 to 14 years in the current year. The Day Camp operates for 8 weeks during July and August. Campers can register for full weeks only; Monday to Friday. The bus arrives at camp at 9:30 a.m. and departs camp at 3:30 p.m. The camp operates during statutory holidays.

Children are encouraged to participate in a variety of age appropriate activities. Swimming is offered daily as part of the Red Cross Swimming Program. Children can achieve their badge levels in a safe and fun environment.

The South River - Machar Day Camp is a recreation program administered by the Village of South River. It is held at the Hockey Opportunity Camp on Eagle Lake. Hockey Opportunity Camp is an accredited member of the Ontario Camps Association, which has been providing camping experiences for children of all ages since 1966.

Communication: A confirmation will be sent by e-mail to each camper once the completed application form and payment is processed by the South River Municipal office. Other important notices may also be sent by e-mail. Please be sure to include your e-mail address on the application form.

Transportation is provided along a designated route with bus stops scheduled at:

Sundridge Arena (8:40 a.m./4:20 p.m.); Sundridge Public School (8:45 a.m./4:15 p.m.); South River DSSAB Building (8:55 a.m./4:00 p.m.); Phoenix Building (9:00 a.m./4:00 p.m.) and South River Public School (9:05 a.m./3:55 p.m.)

Riding the bus is a privilege and the privilege can be taken away.

Things to Bring to Camp: Please remember that a change of clothes and underwear is necessary because wet bathing suits are not permitted on the bus. You will have a chance to change after the free swim at the end of the day. Items to bring include:

Hat	Sunscreen	Bathing Suit	Towel
Sweatshirt/Jacket	Running Shoes	Change of Clothes	

The camper's name should be put on all articles you bring to camp. It will make it much easier to find them if they are misplaced. A backpack or bag is good to keep all of your belongings together, and will make it easier to carry things to and from camp. Some activities require appropriate footwear and/or clothing. Please check the daily schedule and ensure that campers have all the necessary outerwear.

There may be overnight camp outs available. Campers will need a sleeping bag, pillow, toiletries and a change of clothing. This is an optional event and will have a nominal charge. Campers need to bring a lunch for both days.

Sunscreen: Please be sure campers bring sunscreen and know how to use it properly. We have a policy that during the day there will be several intervals when campers will be encouraged to take a "sun screen break".

Lunch Time: Lunch is a scheduled time of 12:00 p.m. Bag lunches are required for each day and will be kept in a cool place. Please put your lunch in either a labeled bag or lunch kit for storage purposes. ***Please do not bring nut products.***

Tuck Shop: After lunch campers will have the option to buy "tuck" at the on-site tuck shop. Please be sure that money is kept in a safe place.

Rainy Day & Holiday Policy: In the event of rain, campers will not be sent home. Special rainy day games and activities will be planned for indoors, until the regular 3:30 p.m. dismissal. Please be aware of the chance of unpleasant weather and bring appropriate clothing. The camp operates during statutory holidays.

Behaviour: Poor behaviour cannot and will not be tolerated at camp.

Camper Terms/Conditions of Enrollment

Hockey Opportunity Camp (HOC) is committed to creating a learning environment that is safe, caring, peaceful, nurturing, and respectful; ensuring all campers achieve a positive camp experience. This environment can only be achieved if all members of the community including staff, campers and parents accept and promote the following positive behaviours and interactions with each other. To achieve this, we have created the following 4 simple expectations below for all campers to review together with their parent/guardian and accept prior to participating in camp programming.

In addition, camp is a place where campers are given the opportunity to be independent, make life decisions on their own and therefore experience personal growth. Together with the support of HOC staff (when required), these guidelines have been put in place to help educate and nurture this personal growth.

Expectation #1: Respect Yourself

All campers must be accountable for their own personal belongings brought to camp. Clearly labeling all items brought to camp will help locate any lost items so they can be returned throughout the week. In addition, campers should be aware of their surroundings and collect their own belongings before leaving an area, ensuring nothing gets left behind.

Each camper is responsible for his or her own personal hygiene.

Since our camp days are full of activity, campers must make healthy eating choices in order to maintain stamina throughout the day.

Campers are required to follow HOC's sun safe practices, which include; applying sunscreen throughout the day, wearing a hat (and sunglasses if possible), wearing suitable outdoor clothing and keeping themselves hydrated. Staff will provide an opportunity before each activity for campers to prepare and ready themselves and assistance will be available to younger campers who require it.

Campers are equally in control of their camp experience. In order to ensure the highest level of care, each camper needs to advocate for him or herself and tell others if someone or something is physically wrong or emotionally distressing to them. Staff will regularly provide an opportunity for campers to approach them with concerns either publicly or confidentially. All staff is trained to actively listen and treat each concern with confidentiality and respect, working with the camper(s) to solve the issue cooperatively and in a timely fashion.

Expectation #2: Respect Others

Bullying by any means including verbal, physical or emotional is not tolerated at HOC. This also includes horseplay and any physical touching impeding on another camper's personal space and upsetting or offending another camper.

Treat others, as you would expect to be treated. Each camper deserves to be treated with respect and made to feel a part of the HOC community. Recognize others' feelings and work together to create a fun and positive camp environment. Campers need to understand that their positive attitude towards each other will help influence others to do the same.

Many campers come to camp with a group of friends they already know. Although this is encouraged, we also encourage those campers to make new friends while at camp and build new friendships that may continue well beyond the camp experience.

It is recommended that campers not bring any expensive clothing or electronics, campers should not touch or borrow other camper's belongings. In addition, due to serious food/environmental allergies, campers should not bring in any food with any traces of nuts or seeds or any hygiene products with significant smells or perfumes.

South River – Machar Day Camp Application 2018

Recognize when others are being disrespected and step forward to let HOC staff know about it. In some cases you may be the voice for someone who may not be confident enough to do so. Telling someone does not make you a snitch but rather, makes you a friend.

Parent Note: Parents of campers who choose to disrespect, distress, abuse others, or who's behaviour affects the ability of other campers to enjoy their camp experience, will be contacted and a conditional warning will be given to the camper. Continued negative behaviour may result in that camper being asked to leave the program without refund of tuition paid.

Expectation #3: Respect Camp

This includes assisting the instructors in program areas by putting away equipment and returning items to their proper locations after use.

Intentional damage to HOC, private property or other camper's belongings is not tolerated. Campers who intentionally damage others' property will be responsible for replacement or repair costs.

Many of HOC programs have detailed safety rules and regulations in order to ensure the safety and well being of all campers and staff. Campers must listen to, understand and follow staff instructions and program safety rules in order to ensure a safe and fun experience.

Parent Note: Campers who continually ignore staff instruction of program safety rules and expectations, may be asked to not take part in the activity until they are able to demonstrate an ability to follow program expectations.

Expectation #4: No Camper Cell Phones at Camp Policy

In order to maintain the high level of safety and well being of all our campers at camp, we are strict to enforce a CAMPER NO CELL PHONE POLICY. Campers are expected to leave their cell phones with parents/guardians prior to checking in at camp. If a cell phone is found on a camper, it will be taken away and safely stored and returned at the end of the week. This policy is not put in place to avoid parent interaction in the event that a camper has an issue/concern, but rather to ensure that camper expresses their concern to their counsellor so staff can address the concern/issue immediately. If an issue/concern is deemed to require a parent's input or guidance, we will contact them immediately for support. Parents will also have the ability to stay in contact with their camper through Parent Communications Representative, who acts as a liaison between the camper and parent/guardian.

Hockey Opportunity Camp is committed to delivering an exceptional camp experience and we will work with each camper to the best of our ability to fulfill this goal. Although, fulfillment also requires campers to bring forth their best to achieve the outlined 4 expectations.
