

**THE ULTIMATE HOCKEY AND SUMMER CAMP EXPERIENCE.**

Dear Local Police Authorities,

Hockey Opportunity Camp is a residential children's camp, in business since 1966. As a requirement of the Ontario Camps Association (OCA) Accreditation program, all staff working with children must present some form of Criminal Records Check. Hockey Opportunity Camp wants to ensure that all persons working with or around children have never posed any threat of harm or misconduct towards others in the past.

It is the understanding of Hockey Opportunity Camp that searches may require an associated administration fee. This fee is to be paid in full by the staff applicant.

If there are any concerns or issues regarding this application, please contact myself directly via phone or email. If the applicant requires additional forms to be completed, Hockey Opportunity Camp is happy to assist.

Thank you for your cooperation.

Regards,

Kevin McLaughlin  
Camp Director
