Check-In Day: *Sunday*

Check-In Day is a very busy day at camp. To avoid unnecessary early arrival and speed up the registration process, we have implemented the following check-in procedure.

Individual Camper Check-In Times

At time of registration, parents will choose a preferred check-in time based on first-come first-serve. Check-in times will begin at 12:30pm and continue onwards until 3:00pm. Note: Check-in time has no correlation to group registration.

Although it is ideal to check-in within your actual time segment, due to possible delays (weather, traffic, etc.) campers can check-in any time after (not before!) their assigned time. Phone calls to inform us of very late arrivals (after 3:00 pm) would be appreciated. The registration process should take about 30-45 minutes after your start time begins. **DUE TO CONGESTION IN THE PARKING LOT, PLEASE DO NOT ARRIVE MORE THAN 15 MINUTES BEFORE YOUR START TIME.**

Check-In – Jr. Recreation Hall

Families can start lining up in front of the recreation hall no earlier than 10 minutes before their start time. In groups of 45 (per start time segment), families will proceed through the building and begin the registration process, which includes the following;

- Check-In (settle any outstanding balances)
- Pick-up T-shirt (only if purchased online)
- Pick-up Section and Cabin Assignment Sheet
- Health Care Station (drop off medications, discuss with Health Care team)
- Health Check Screening
- Pro Shop (opportunity to purchase HOC clothing / souvenirs)

Baggage Drop Off/Bunk-In

Campers will receive a self-guided check list and camp map to complete the remainder of the check-in process. The list will include;

- Finalizing Camp Activity Requests**
- Camp Gear Drop Off and Bunk In at Cabin
- Meet Cabin Counsellor and/or Group Section Head
- Families say farewell to campers at the cabin

Staff members will be made available to new campers who would like to be accompanied through this self-guided check-in process.

Camp Activity Request**

A complete description of each activity is listed on our web site, along with activities available to campers based on their age. On your registration form, please choose an activity within each Activity Period. Please note that not all activities are available within each Activity Period. Campers are guaranteed one of the activities chosen, which will be confirmed on Sunday Check-In day. Campers are enrolled in their second activity based on availability and scheduling. Therefore, please choose an alternate activity in the event that one of the others is not available.

Overnight Camp Program campers will choose additional activities (if applicable) to fill their daily schedule on Sunday Check-In day.

Reminders...

- As there is no lunch served to campers, families are invited to purchase a hot dog or hamburger down at the cookout by the beach (proceeds supporting local minor hockey or figure skating)
- If you bring your family pet, we ask that they are kept on a leash.
- If you require cash, the closest bank machines are in South River and Sundridge.

Tuck / Snacks at Camp

Your child will have no expenses during their stay at camp. Tuck & snack items are included in the tuition fee.

Overnight Camp / Overnight Water Ski Program

- ★ **Tuck Shop:** Campers choose one item 3x a week (Mon/Wed/Fri). Main tuck options include chocolate bars, candy, ice cream, pop and potato chips. Although we cannot guarantee a “nut free” environment, in order to reduce the risk to campers with severe nut allergies, we do not purchase products with visible nuts or nut products.
- ★ **Snacks:** snack options will be provided for your camper each evening before bedtime. Healthy and substantial items will be available for choice.
- ★ **Group Picture:** Colour photo calendar of camper’s section. Photos are distributed at check-out (included in your campers check-out folder).
- ★ **Laundry:** Campers staying 2+ weeks will be provided with weekend laundry service (one full load).

Section Assignments

The week prior to a camper’s arrival he/she will be assigned to one of seven camper sections. There are many factors we consider when completing section assignments including; birth year, age, height, weight, program and requested cabin mates.

Group coordinators are asked to suggest bunking requests, but HOC makes final decisions based on other group requests, cabin size and availability. Therefore, specific section assignments are not confirmed until campers arrive at their check-in time on Sunday.

In order for campers to be placed in the same camp section & cabin, they need to be within one grade / birth year. These sections are the basis for all camp scheduling (view sample schedules on our website). Campers within the same section will skate and participate in their chosen activities within the same rotation schedule. Section assignments will further determine cabin assignments and activity choices.

Souvenir Camp T-Shirt

HOC offers campers the opportunity to purchase a 100% cotton souvenir camp t-shirt featuring this year's HOC logo. Merchandise can be ordered at time of registration or online anytime. All orders must be received and paid prior to arriving at camp to guarantee preferred size and availability. Check online for pricing and sizing.

Transportation

Campers are responsible for getting to/from camp. Transportation can be arranged from Toronto Pearson Airport for out of province campers. If interested, please check the website or contact the office for rates.

Camper Phone Policy

Due to the potential volume of calls and disruption to camp, phone calls to and from campers is not permitted. In the event of an emergency, please contact the office to make arrangements through the Parent Communication Director. In addition, **cell phones are not permitted at camp**. If they are brought to camp they will be taken from the camper, securely stored and returned upon departure.

Weather and Camp Activities

All camp activities continue during rain, cold, wind and heat but may be modified if weather poses a risk to campers. All outdoor programs cease in the event of thunder and lightning and resume when deemed safe by a Camp Director.

Parent Communication Director

The Parent Communication Director is the direct link between campers and their parents during camp. For all **NEW** campers (first time at HOC), within the first 48 hours (ideally) of your camper arriving, parents will receive an email with a status update. In addition, if you have any questions or updates **while your child is at camp**, please contact parentrep@learnhockey.com or call the office and ask for the Parent Communication Director.

HOC's Sun Safe Practices

HOC is proud to be a recognized as a Sun Safe Certified Camp. Understanding the damaging effects of the Sun is very important to our health and HOC encourages all campers to follow these simple sun safe guidelines:

HOC Staff will be reminding your camper to follow these guidelines while they are at camp. You can help us by ensuring your camper packs these items in their luggage.

Clothing and Equipment List

The following list is recommended based on a one-week stay at camp. Campers staying longer than one week have access to laundry service (included in tuition fee). It is recommended that campers use the laundry service rather than increasing the amount of clothing brought to camp. Summer evenings may be unpredictably cooler than normal, so please check weather reports (available on HOC website) prior to arriving at camp to confirm appropriate clothing and sleeping bag. All clothing, equipment and bedding should have the camper's name clearly marked and securely attached.

IMPORTANT: We recommend that all valuable and expensive clothing / personal items not be brought to camp. All video games, iPods, iPads, cell phones and any other electronic equipment are NOT allowed in our camp environment. Although every effort is made to locate lost items, HOC is not responsible for returning any lost or stolen items while at camp. Campers wishing to bring their own bike (lock also required) can do so and lock it up in the camp garage. Fold up portable chairs are NOT permitted at camp.

NOTE: Although HOC is NOT a "nut free" environment, we do reduce the risk to campers with severe nut allergies by eliminating visible nuts/nut products from the kitchen and tuck shop. Campers should not bring any additional food into camp, especially products with visible nuts or nut products in them (i.e. Snickers chocolate bars, peanut butter cookies, trail mix with nuts, etc.). In addition, we request that your child not bring any gum/candy to camp. Thank you for your understanding and compliance to this matter.
