

Getting Ready For Camp Handbook

Overnight Tyke Program

Dear Parents and Tyke Campers,

Welcome to Hockey Opportunity Camp (HOC). We are thrilled to welcome your child(ren) to HOC for their first overnight camp experience. To help you prepare for the summer, we have put together this handbook including essential information, checklists and resources you may require to get your child(ren) ready for camp.

This 3-Night / 4-Day experience is designed to give 6 / 7 year old children a shortened camp experience, jam packed full of fun. Our goal is to expose Tyke campers to try new activities and improve their skills in activities they have already experienced. Each activity is designed around building self confidence, in a fun and safe manner. Thank you for choosing the HOC experience.

HOC's Sun Safe Practices

HOC is proud to be recognized as a Sun Safe Certified Camp. Understanding the damaging effects of the Sun is very important to our health and HOC encourages all campers to follow these simple sun safe guidelines:

HOC Staff will be reminding your camper to follow these guidelines while they are at camp. You can help us by ensuring your camper packs these items in their luggage.

Tykes Time At Camp

While at HOC, Tyke campers will get to try out many of our exciting camp activities. These include paddle boarding, mountain biking, archery, crafts, waterskiing/board sports and many more! Campers will enjoy three kid friendly meals daily plus a delicious snack before bed. Our catering company accommodates allergies and special diets. Please let us know in advance if your child has any special dietary needs. Campers will be bunked with other Tyke Program campers during their stay and a Tyke Program counsellor will reside in the same cabin (in a separate room). Washroom facilities are close by and are well lit in case any camper needs to use the washroom facilities at night.

Due to the age of campers, counsellors will assist with the application of sunscreen in order to ensure proper sun protection coverage. Counsellors will follow *HOC Staff Proofing Guidelines* when assisting with the application.

During the evening, Tyke campers will participate in special camp programming with the other older camp sections, including all camp activities and camp fires. One evening, Tyke campers will have their own special group campfire at one of the on-site campsites, where they will get to roast marshmallows and hear and share some funny campfire stories.

On Wednesday and Friday, Tyke campers will get to choose one item from the Tuck Shop (chocolate bars, candy, milk, juice, granola bars, ice cream, etc.)

Bedtime for Tyke campers will be between 8:00pm - 8:30pm. They will have a chance to use the washroom and brush their teeth before bed. Tyke campers will be kept active all day and if needed, a rest period will be given in the afternoon to re-charge before evening programs begin.

Check-Out Day: *Saturday*

Parents can pick up their son/daughter at camp on Saturday, anytime between 9:30 am - 11:00 am. Check out folders and luggage can be picked up at the Jr. Rec Hall. Before leaving camp, parents are asked to sign-out their child.

Lost and Found

- Clothing that is found throughout the week is neatly folded and displayed on tables during check-out.
