Camper Communication

- Employees must not post pictures of campers on a website without obtaining written permission by the camper's parent or guardian. Such written permission must be presented to and retained by the Camp Director.
- Employees must not allow campers to have access to their personal website page or have access to any "groups" that the employee belongs to/administers.
- Replace above with - Employee's public profiles and background images must represent that employee and Hockey Opportunity Camp appropriately, professionally and in a positive light.
